## **PCBB Announces Hedging Team Promotion**

*Denny Trompeter Named Managing Director of Hedging and Loan Structuring*

**WALNUT CREEK, CALIF. – February 4, 2014** – PCBB announced today that Denny Trompeter has been promoted to managing director and will lead the hedging products team for PCBB Capital Markets. This action strengthens the company's position as a national leader in the financial services industry serving the needs of community banks.

Trompeter has been with PCBB since 2011 and has over 30 years of capital markets and hedging industry expertise.

"We are pleased to have someone with Denny's depth of experience in such a critical area to lead our national team," said Steve Brown, president and chief executive officer of Pacific Coast Bankers' Bancshares and subsidiaries. "Denny will continue to work closely with our relationship management team and clients to support an increasing demand for hedging solutions among our community bank customers."

PCBB was founded by bankers to help community banks build stronger institutions without competing with the bank for their customer's business. Today, our companies provide a comprehensive set of products and services supporting community banks nationwide.
